Honorable William J. Casey  
Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Casey:

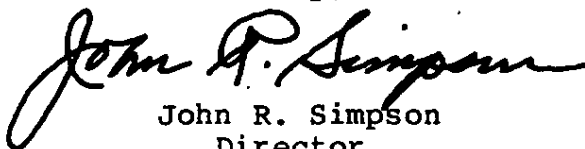

As the correspondence reflected during the last two months, our agencies once again worked together in a spirit of extreme cooperation.

This special project of the Secret Service to help insure a safe 1985 Presidential Inauguration would not have been possible without the assistance of the Central Intelligence Agency.

The technical and operational support of your personnel was, as always, outstanding. I particularly commend the people of the Directorates of Operations and Science and Technology.

May I ask that my personal thanks be extended to each and every person you deem responsible for this outstanding success.

Sincerely,

  
John R. Simpson  
Director
